Bachelor of Computing Honours in Computer Science
Bachelor of Computing Honours in Software Engineering
CCS2032 | CSE2032 – Web Technologies
Practical In-Class Test 01

Time: 1 hour

You are required to design a website for ‘PIZZARELLA’, a pizza shop. Required images are uploaded to the LMS.

There are two web pages named as Firstpage.html and Secondpage.html as given in the following figures.

The structure and the styles of this website should be done using HTML and CSS.

Firstpage.html

- Firstpage.html should be designed as shown in the below figure.
- Once the user clicks the link ‘Next Page’ the Secondpage.html will be loaded. The new page should be loaded in a new tab.

Secondpage.html

- Secondpage.html should be designed as shown in the below figure.
- Once the user clicks the link  , the Firstpage.html will be loaded. The new page should not be loaded in a new tab.

~PIZZRELLA~

A Pizza slice a day keeps the sadness away....
